March 1, 2011

Dear Community Business Neighbors and Families,

On May 21, 2011, Seven Lakes High School seniors will be celebrating their prom. The parents of the Class of 2011 started working in June 2010 to raise the funds needed to provide the seniors with a drug- and alcohol-free lock-in, which will be held at Dave & Busters immediately after the prom until 6 a.m. the next morning. We need help in meeting our fundraising goal.

Did you know that statistics from the National Traffic Safety Administration show that prom and graduation nights are the deadliest nights for our youth? Midnight to 3:00 a.m. is the most dangerous time period. Because of the tragedies that produced these statistics, Project Prom came to exist. By providing our seniors with this lock-in event, we know that for at least this one night we will be able to keep our kids from harm's way.

We are asking that you join us in this endeavor to promote a safe environment for the seniors of Seven Lakes High School and their dates. Please see the back of this letter to find out about the many ways that you can support making Project Prom 2011 the best ever. Your contributions are tax-deductible. We will make sure that the parents, students, and the general public are aware of how each business shows its support to make this night happen.

We look forward to partnering with you in making this night a spectacular event. Please contact me with any questions.

Sincerely,

Greg Henry
