

PP'11 Wall of Fame

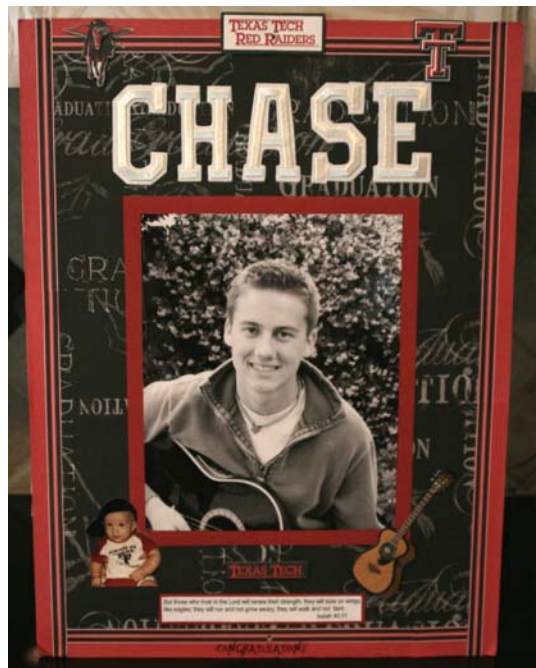

As part of the decorations during the Project Prom Event at Dave & Buster's, we plan to honor our seniors with individual tribute posters. These masterpieces are created by their parents.

- Posters are available for sale at all Project Prom Senior Parent Meetings.
- We are asking each family to provide a poster highlighting their senior.
- Please note that each poster must adhere to the prescribed size and hanging space restrictions.
- Posters not purchased through Project Prom will NOT be accepted.
- Please drop off your completed poster at the Front Office starting May 9th, but no later than end of day, May 17th.
- Late posters will NOT be accepted.

To ensure uniformity—please adhere to these guidelines:

1. Use a 15" x 20" piece of white foam board.
2. The sign will hang "portrait" style; width @ 15", height @ 20" — see photo example →
3. Use a large photo of your senior (8" x 10" suggested).
4. Use large letters for the senior's name for visibility.
5. Include senior's name and cell phone number on the back so that it may be returned after the PP Event.
6. After that, it is up to you. Some parents include "good luck" statements or decorations regarding university, clubs, interests or activities. Let your creativity go wild!

Samples will be available for viewing in the Front Office, on our website, and at the monthly Project Prom parent meetings.

I'd like to order a pre-cut poster for use on the Wall of Fame
