

We Need Your Help!

The Class of 2010 will be celebrating after prom with a Project Prom lock-in. This event is totally parent sponsored and funded. We will be fundraising throughout the year to raise enough money to support this alcohol and drug free event. We have many fundraisers already lined up, along with a chairman for each event. All we need are extra hands to help out with the events. Please read about our events below and check off the ones you would be interested in volunteering your time. Your name will be sent to the chairman of that fundraiser and they will contact you.

_____ **Reliant:** You would be in a group of Seven Lakes parents assigned to a concession stand at Reliant Stadium or Minute Maid Park to work during baseball or football games. We could use many volunteers for this event!

_____ **Power Reviews:** Selling donuts and drinks to students during power review weekends. This is a Saturday morning event in December and possibly May.

_____ **Junk Food Days:** Selling 'junk' food to students in the rotunda during lunch periods on two different days

_____ **Dinner/Auction:** One-time event. Help would be needed collecting items and/or assemble baskets for the auction.

_____ **Rice Harvest:** a two-day event, usually mid-October in the town of Katy. This is an event that needs lots of volunteers to work shifts throughout the day

_____ **Powder Puff Football:** Held at SLHS usually in the spring. Volunteers needed to help sell food and drinks during the football game.

_____ **Mr. SLHS:** Volunteers needed to help sell tickets for the event as well as work behind the stage night of the event.

Parent Name(s): _____
